

SOME THINGS YOU SHOULD KNOW DIESEL VACUUM AND DUST COLLECTOR RENTAL

UNUSUAL WEAR OR DAMAGE

Our damage waiver covers normal wear and tear. Damage due to neglect or ignorance will be the customer's responsibility at a charge of \$90 per hour plus parts.

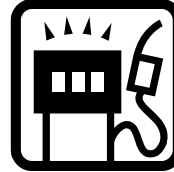

OIL LEVELS

The oil level in machinery is checked when equipment leaves our yard. Maintenance of proper oil level in rented equipment is solely the responsibility of customer.

FUEL

All vacuums & dust collectors are full of fuel when they leave our yard. If unit is not returned with the same amount of fuel it came with, you will pay for fuel used.

IN CASE OF LOSS OR THEFT

Of equipment, the customer will be billed for list price plus rental up to time of reporting loss or theft.

TIRES

Customer is responsible for ALL tire repair. It is the customer's option to check over the tires before the equipment leaves and have one of our people make note of any irregularities spotted.

DISPOSAL

Units must be returned with as much of the dust and debris removed as possible. Excessive amounts of dust or debris left in machine will result in a disposal charge.

INSURANCE

Once the equipment leaves our yard, the customer is responsible for it until it has been returned and payment received. NO equipment is to be left in our yard if we are not open to receive it. Our insurance does not cover equipment while in customer's possession. In order for rental equipment to leave our yard, it will be necessary for us to have a certificate of insurance on file. Please see the attached sample form.
