DRUM TOP VAC

Turn a 55-gallon drum into the best vacuum you’ll ever own.

For over 25 years the Vactagon Drum Top Vacuum from Industrial Vacuum has set the standard for power, durability, convenience and effectiveness.

USER-FRIENDLY & ADAPTABLE

The Vactagon Drum Top Vacuum has been used for lead paint removal on the Capitol Building in Washington, the Brooklyn Bridge, by NASA, Utilities including TVA, the military and private industry for all types of plant maintenance.

EXCLUSIVE FILTRATION

A two stage, cartridge filter system design that is easily cleaned or changed to protect the final HEPA filtering stage for maximum vacuum power with simple maintenance.

Each HEPA filter is individually tested and rated at 99.997% efficiency at 0.3 microns and meet or exceed OSHA and Clean Air Act Standards.

Ideal for asbestos, lead or other sensitive material clean up.

Electric models available in single, twin or quad configurations.

Pneumatic models available in single or double configurations.

Wet or Dry operation standard.

All prices and availability subject to change without notice.
This document sets forth the terms and conditions pursuant to which the purchaser ("Purchaser") will purchase and Industrial Vacuum Equipment Corp. ("Seller") will sell the products, accessories, and attachments (collectively the "Products") ordered by Purchaser. These terms and conditions shall govern and apply to the sale of Seller's Products to Purchaser, regardless of any terms and conditions appearing on any purchase order or other forms submitted by Purchaser to Seller, or the inconsistency of any terms therein and herein.

**PAYMENT TERMS**
- Net 30 days (to approved and qualified accounts) after the invoice date, regardless of date of receipt of shipment.
- Seller reserves the right to hold shipments against past due accounts.
- All past due accounts are subject to late payment charge of 1.5% per month, or maximum allowed by law if different, along with the expenses incidental to collection including reasonable attorney's fees and costs.
- All prices are in US Dollars.
- Sales Use & Tax may be included to Purchaser's invoices, depending on delivery location.
- International shipments that are subject to duties & taxes are the responsibility of the Purchaser.

**UPS SHIPMENTS**
A handling charge, in accordance with current UPS regulations, will apply to any article that is not fully encased in an outside shipping container. Minimum charge for a package measuring over 84 inches in length and girth combined will be equal to the charge of a package weighing 30 lbs. plus the handling charge. This applies to all UPS air and surface transportation. All Products are shipped UPS standard ground unless otherwise specified by Purchaser.

**DELIVERY, DAMAGES, SHORTAGES**
Seller shall use reasonable efforts to attempt to cause the Products to be delivered as provided for in these Terms & Conditions. Delivery to the initial common carrier shall constitute the delivery to the Purchaser. Seller's responsibility, insofar as transportation risks are concerned ceases upon the delivery of the Products in good condition to such carrier at the F.O.B. point and all the Products shall be shipped at the purchaser's risk. Seller shall not be responsible or liable for any loss or damage whatsoever, including loss of income and/or profits, or incidental, special, consequential damages resulting from Seller's delayed performance in shipment and delivery.

**RETURN OF DEFECTIVE PRODUCTS**
Defective or failed material shall be held at the Purchaser's premises until authorization has been granted by Seller to return or dispose of Products. Seller must be notified within 30 days of receipt of defective Product. Products that are to be returned for final inspection must be returned Freight Prepaid in the most economical way. Credit will be issued for material found to be defective upon Seller's inspection based on prices at time of purchase.

- No returns of Products will be accepted without prior authorization from Seller.
- All returns require a Return Material Authorization (RMA) number provided by Seller.

**PRODUCTS ORDERED IN ERROR**
Standard package Products only may be returned, provided that claim is made and Seller is notified within 7 days of receipt of Products, and the Products are in the original buyer's possession not more than 30 days prior to return, subject to Seller's approval. If Products are accepted for return they must be Freight Prepaid, and buyer will be charged a minimum of 15% rehandling charge, plus a chargeback for outbound freight charges if the original order was shipped prepaid. Returns are not accepted for any Products that are specially manufactured to meet the buyer's requirement of either specifications or large quantity.

**PRODUCTS SHIPPED IN ERROR**
Purchaser must notify within 7 days of receipt of Product any Products shipped in error. Upon notification, Products are to be returned to Seller either via truck on a Freight Collect basis, or via UPS on a Freight Prepaid basis. Purchaser will be reimbursed for cost of Products, plus any additional freight which may have been incurred due to shipping error.

- No returns of Products will be accepted without prior authorization from Seller.
- All returns require a Return Material Authorization (RMA) number provided by Seller.
