This document sets forth the terms and conditions pursuant to which the purchaser ("Purchaser") will purchase and Vactagon LLC. ("Seller") will sell the products accessories and attachments (collectively the "Products") ordered by the purchaser. These terms and conditions shall govern and apply to the sale of the Seller's Products to Purchaser, regardless of terms and conditions appearing on any purchase order or other forms submitted by Purchaser to Seller, or the inconsistency of any other terms therein and herein.

PAYMENT TERMS

- Net 30 days (to approved and qualified accounts) after the invoice date, regardless of date of receipt of shipment.
- Seller reserves the right to hold shipments against past due accounts.
- All past due accounts are subject to late payment charge of 1.5% per month, or maximum allowed by law if different, along with the expenses incidental to collection including reasonable attorney's fees and costs.
- All prices are in U.S. Dollars.
- Sales Use & Tax may be included in Purchasers invoices, depending on delivery location.
- International shipments that are subject to duties and taxes are the responsibility of the Purchaser.

UPS SHIPMENTS

A handling charge, in accordance with current UPS regulations, will apply to any article that is not fully encased in an outside shipping container. Minimum charge for a package measuring over 84" in length and girth combined will be equal to the charge of a package weighing 30 lbs. plus the handling charge. This applies to all UPS air and surface transportation. All Products are shipped UPS standard ground unless otherwise specified by the purchaser.

DELIVERY, DAMAGES, SHORTAGES

Seller shall use reasonable efforts to attempt to cause the Products to be delivered as provided for in these Terms & Conditions. Delivery to the initial common carrier shall constitute the delivery to the Purchaser. Seller's responsibility, insofar as transportation risks are concerned ceases upon the delivery of the Products in good condition to such carrier at the F.O.B. point and all the Products shall be shipped at the purchaser's risk. Seller shall not be responsible or liable for any loss or damage whatsoever, including loss of income and/or profits, or inci-

dental, special, consequential damages resulting from Seller's delayed performance in shipment and delivery.

RETURN OF DEFECTIVE PRODUCTS

Defective or failed material shall be held at the Purchaser's premises until authorization has been granted by Seller to return or dispose of Products. Seller must be notified within 30 days of receipt of defective Product. Products that are to be returned for final inspection must be returned Freight Prepaid in the most economical way. Credit will be issued for material found to be defective upon Seller's inspection based on prices at the time of purchase.

- No returns of Products will be accepted without prior authorization from Seller.
- All returns require a Return Material Authorization (RMA) number provided by Seller.

PRODUCTS ORDERED IN ERROR

Standard package Products only may be returned, provided that claim is made and seller is notified within 7 days of receipt of Products, and the Products are in the original buyer's possession not more than 30 days prior to return, subject to Seller's approval. If Products are accepted for return they must be Freight Prepaid, and buyer will be charged a minimum of 25% rehandling charge, plus a chargeback for outbound freight charges if the original order was shipped prepaid. Returns are not accepted for any Products that are specially manufactured to meet the buyer's requirement of either specifications or large quantity.

PRODUCTS SHIPPED IN ERROR

Purchaser must notify within 7 days of receipt of Product any Products shipped in error. Upon notification, Products are to be returned to Seller either via truck on a Freight Collect basis, or via UPS on a Freight Prepaid basis. Purchaser will be reimbursed for cost of Products, plus any additional freight which may have been incurred due to shipping error.

- No returns of Products will be accepted without prior authorization from Seller.
- All returns require a Return Material Authorization (RMA) number provided by Seller.
